

Sunrise Towers
Sunrise House
Tavern Inn Apartments

At Laconia Housing our mission is to provide comprehensive housing and support services for those in need in order to promote and enhance a better way of life for the whole community. Our vision is to be an integral component of the Lakes Region Community by providing a peaceful, safe, and comfortable environment for all residents to live, work, and grow.

Laconia Housing is a property management company with a heart providing housing opportunities to more than 700 households through rental apartments and housing vouchers.

About Us

Laconia Housing's Home Health Agency provides services under the Medicaid Choice for Independence (CFI).

The Choices for Independence (CFI) program is a Medicaid funded program that provides a wide range of services that enable eligible adults to remain living independently in their own homes and communities. Individuals participating in the CFI program at Sunrise Community Living must meet certain age, financial and complete a clinical assessment for scope of care required.
